MTech (AI & DSE)

IIT Patna has implemented National Education Policy (NEP -2020) to open an alternative option for ENTRY to avail world-class quality education in industry-oriented market-driven academic programs awarding UG Degree in Computer Science & Data analytic (CSDA) and Bachelor of Business Administration (BBA).

The new programs aim to impart quality training at the Undergraduate (UG) Degree level covering industry-needed skills and competency to meet the requirements of dynamic demand of the industry comprising technology, Data Mining, Big Data Analytics, Programming, Coding, Artificial Intelligence, Machine Learning, and IT enabled skills for accounting and finance, business management, economics, organizational behavior and human resource management, marketing, logistics, and supply chain management.

Keeping the National Education Policy (NEP-2020) recommendations in mind, these academic programs cater to the need of school pass-outs, who have qualified JEE (Advanced/Main) NEET, CUET, BITSAT, KVPY/ NTSE, INSPIRE scholarship holders, State Entrance Examinations, etc, seeking career growth at the undergraduate level with quality professional education. The modular curriculum is equally useful for young working professionals to accelerate their career growth & stay updated with the dynamic demands of the Industry.

The BSc. (Hons) in CSDA & BBA Programme offered by IIT Patna would enable the Degree holders with the most sought-after industry skills to create better career opportunities backed by a Globally Accepted Course Credit Structure, employable skills, and at-par Professional training to kick start their career with core competency.
