### Introduction:

Indian Institute of Technology Patna is one of the emerging IITs established by an Act of the Indian Parliament on August 06, 2008. Nurturing innovation and excellence amongst the student community for the last 16 years, the Indian Institute of Technology (IIT) Patna has been ever-blossoming as an Institute of National Importance. The Institute focuses on creating and developing students into leaders and researchers to empower the country with their contributions in various disciplines in the future. The Institute has developed modern facilities that are fully equipped with state-of-the-art facilities (equipment, software, and machines) that are routinely used to train and educate students in the Institute.
